MY PLEDGES TO YOU

These are some of my priorities since being elected

PROPER LOCAL REPRESENTATION All my resources are based in the constituency so residents get the MP's service they need.

A FAIR DEAL FOR BIRMINGHAM I'm campaigning in Parliament for fairer funding after 14 years of our city being singled out for cuts.

FIGHTING FOR BETTER PUBLIC SERVICES Holding authorities to account when services like bin collections and hospital appointments are delayed.

HIGHLIGHTING CRIME So we get our share of new officers and PCSOs.

STANDING UP FOR SEND Working as a voice for Special Educational Needs and Disabilities and families who get stuck in the system.
